OBJECTIVE

I am in the process of getting a bachelor's degree in accounting and plan to get my CPA. I seek to learn everything accounting has to offer and look forward to progressing with it as new technologies develop.

EDUCATION

Accounting Technology Associate of Science | Palm Beach State College

2019 – 2021

Course work involves knowledge and application of modern accounting software and technology.

Accounting Technology Certificate | Palm Beach State College

2019 – 2020

Aerospace Engineering | Embry Riddle Aeronautical University

2009 – 2010

EXPERIENCE

Store Manager | Ashdan's Yogurt Café

2015 – PRESENT

Responsibilities include a wide range from cashier, inventory manager, and even some preliminary machine maintenance.

Computer Tech Assistant | Maids Unlimited

2010 – 2015

This was a unique opportunity I had with a small local company in which I assisted with invoice write ups and Excel spreadsheets for payroll and invoices.

SKILLS

- Academic strengths include mathematics and statistics
- Comprehensive Microsoft Excel knowledge
- Bilingual: Spanish and English
- Computer savvy
- QuickBooks Online
- Sage 50

ACTIVITIES

- Part time stock trader; in progress of getting a CMT designation (level 1 of 3)
- I like staying up to date with blockchain technology and development (Cryptocurrencies)
