PROFILE

Dedicated and experienced professional with a background in sales, professional client communication, tax preparation, customer support, warehouse management, and college athletics. While gaining this experience is a great attribute to have in the workforce, the connections created with people during every position is the main highlight of professional development.

EMPLOYMENT HISTORY

- ◇ **Product Support Associate, Bob's Discount Furniture, Ann Arbor, MI: August 2025 - July 2026**
 - Assisted in Managing annual inventory for the entire warehouse
 - Prepared manifests for incoming trucks and appropriately scheduled where each product will be once it was unloaded off the truck.
 - Unloaded products from the incoming trucks weekly. The trucks contained Stock Transport Items (in-house furniture) and Customer Pick ups. Assisted customers with loading furniture into their vehicles.

- ◇ **Sales Manager, Auto Protection Detailing, Whitmore Lake MI: November 2024 – June 2025**
 - Reached out to 60-200 prospects per day via cold-call and advised them on what type of services they might need, as well as emphasizing any specials that our team ran that specific week.
 - In charge of coordinating the weekly schedule while communicating with clients on vehicle pick up, drop off, scheduling dates, and payment processing.
 - Assisted in ceramic coating preparation which included the following: foam washing, clay barring, compound buffing, interior/exterior detailing.
 - Tasked with shuttling clients back to where they needed to be after they dropped off their vehicle. Connected with clients in friendly and professional manner. Delivered the company's coating product to the other detailing shops around Michigan.

- ◇ **Tax Accountant, Plante Moran LLC, Grand Rapids, MI: January 2023 - September 2024**
 - Prepared business and individual tax returns for various clients. Tasked with preparing, requesting, and relaying what items were moving forward, such as: client documents, various tax templates, adjusted financial statements, and tax returns within the applicable software.

EDUCATION

Bachelor's in professional accountancy — September 2017 – December 2022

Graduated with a Bachelor's in Professional Accountancy (150 credit program) in order to be eligible to take the CPA exam. A scholarship-granted student athlete at the SVSU track & field program. Practiced with the running program: 50-100 miles per week. Earned All-American Honors in 2021 as a part of a relay event.
