The *Certified Bookkeeper* designation assures the ability to carry out all bookkeeping functions through the adjusted trial balance, including basic payroll, for firms of up to 100 employees.

**Requirements:** Pass the national certification exam, prove 2 years' experience in bookkeeping (can be obtained after passing the national exam) and sign the code of ethics. Retaining certification requires earning annual continuing professional education credits (CPECs).

### How to Become a Certified Bookkeeper (CB)

To become a Certified Bookkeeper, you must meet three requirements:

- **1. Pass the four-part national certification exam.** Parts 1 and 2 are given at any of 300 Prometric Test Centers. Parts 3 and 4 are open-book tests that come with your workbooks. All tests are multiple-choice.
- 2. Sign a Code of Ethics. See pages 10-11.
- **3. Submit evidence of at least 2 years' full-time bookkeeping experience** or 3,000 hours' part-time or freelance experience **before or after** you pass the national exam (Undergrads can include internships and tax- or accounting-related volunteerism such as VITA, but not simply office work.) You have 3 years to fulfill this requirement from the date that you pass the exam. See the "Evidence of Experience" form on page 9.

### **Use of Certification**

Obtaining the Certified Bookkeeper designation, conferred by the American Institute of Professional Bookkeepers, is voluntary. Those persons or organizations that choose to include the Certified Bookkeeper designation as a condition of employment or advancement do so of their own volition and must determine for themselves whether the use of such a certification process, including its eligibility and recertification and any other requirements imposed by such persons or entities, meets their respective needs and complies with any laws applicable to them.

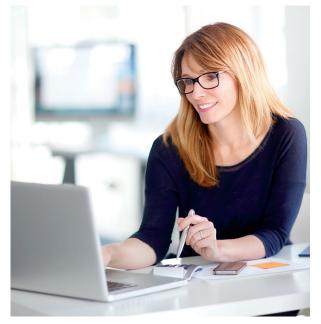

### How to Register for the Certified Bookkeeper (CB) Designation

To register, file the application on pages 7–8. Allow 4 weeks for processing.

Once your application is processed, you have one year to complete any one part of the certification exam. If you do not complete any one part within one year, you must register again.

If you do not pass all parts of the exam within three years, you must re-register and take all tests again.

### Registration Fee for the Certified Bookkeeper Designation

The nonrefundable registration fees, payable to AIPB, are as follows:

AIPB-Member registration fee \$25

Nonmember registration fee \$60

#### Retests

If you do not pass a part of the national exam, you can retake just that part after a 30-day waiting period. For example, if you take Part 2 and pass Payroll but not Depreciation, you can retake just Depreciation. The fee for retaking one part is \$60. There is no fee for retaking a back-of-the-workbook exam.

**GI Bill reimbursement:** Military personnel, veterans and some dependents of deceased veterans may be eligible for reimbursement of exam costs (<u>https://benefits.va.gov/gibill/</u>).

### **Applicants With Disabilities**

AIPB complies fully with the Americans with Disabilities Act (ADA). If you require reasonable accommodation for the exam, please call 800-622-0121 before submitting your "Application for the *Certified Bookkeeper (CB)* Designation."

### Obtaining Your Certified Bookkeeper (CB) Designation

If you pass all tests, meet the experience requirements, and sign the AIPB Code of Ethics, you will receive your certificate within 2 weeks of passing the last test.

### Taking Tests at Prometric

Although the tests at Prometric are listed as "Part 1" and "Part 2," you can take them in any order. We recommend scheduling and sitting for Part 1 before scheduling Part 2.

All tests at Prometric are given on a PC. Each question is multiple choice, so you simply select a, b, c, or d. Prometric provides an optional tutorial before you start. Your test score is printed out for you at Prometric as soon as you complete the test.

#### **Prometric Test Center Rules**

Here are the rules for Prometric Test Centers:

- You must present two forms of I.D.; one with a photo and both showing the same name and signature (i.e., not one with your maiden name and one with your married name). Acceptable forms of Primary I.D. are: valid state driver's license, valid passport, state I.D. card, military I.D. card, student I.D. card. Acceptable forms of Secondary I.D. are: credit card, ATM card, green card.
- 2. Nonprinting, nonprogrammable, self-powered calculators may be used during the tests.
- 3. No test materials, documents or memoranda of any kind may be taken from test rooms.
- 4. The name/I.D. number of anyone suspected of irregularities is reported to AIPB.
- 5. You may take the scheduled part of an exam only on the day and time scheduled.

### Retaining Your Certified Bookkeeper (CB) Designation

To keep your Certified Bookkeeper designation, you must acquire over every 3 years, a total of 60 Continuing Professional Education Credits (CPECs), starting from the date you are certified.

The fee for registering CPECs is \$3 per CPEC. When you are certified, you will receive complete information about CPECs, as well as abundant free sources for earning them.

### **Getting Started**

AIPB offers the six self-study course workbooks shown below to prepare for each part of the national certification exam.

There is a double-quiz at the end of each workbook section to make sure you master the skills and knowledge you just learned. We strongly urge you to write the answers on a piece of paper—not in the workbook—so you can practice the quizzes over and over. The questions on the national exam are similar to, but never duplicates of, the questions in the workbook quizzes. So, if you do and re-do the quizzes at the end of each workbook section, you should have no difficulty with the national exam.
